## Maps and Directions

36 Denham Lane, Chalfont St Peter

A413

36 Denham Lane, Chalfont St Peter

### Directions:

From the M25 take the exit East at Junction 16 and then the first exit off the M40, onto the A40 towards Gerrards Cross/Amersham, follow the signs for the A413 towards the Chalfont's/Amersham. At the second round about (which is signed left to Chalfont St Peter Village), turn right up the hill signed Joiners Lane. At the T intersection at the top of the hill turn left, drive a few hundred metres to 36 Denham Lane and we are a few houses down from the side street Denham walk on the left hand side of the road. The bus stop and light is directly outside our house (we also have a big hedge). Please park on Garners Road or Denham Walk the two side streets which are a few houses either side of our house, Denham Lane can be busy at school run times and parking on it holds up the traffic and makes it difficult for our neighbours to safely exit their driveways, it can also be dangerous to your wing mirrors.

If you are coming from Amersham direction, you will see the sign for Chalfont Common on the left just past the Tesco/Esso service station as you come close to Chalfont St. Peter, turn left up Rickmansworth Lane and at the T intersection at the top of the hill turn right, and we are just past the turning to Garners Road (see above) but we will be on your right hand side. . If you visit [www.multimap.com](http://www.multimap.com), and put in your postcode and our postcode SL9 0ET, you can get directions from your home to us with a map.
