

DRAMA STUDY SKILLS (YEAR 11)

Vocabulary Used in Drama 1.6

Students need to be familiar with the following terms and be able to comment on them from experience and to create a drama piece.

- Freeze frames
- Drama script.
- Time.
- Setting.
- Props.
- Character.
- Role.
- Plot.
- Production process:
 - Costume.
 - Makeup.
 - Acting.
 - Technical:
 - Sound.
 - Lighting.
 - Special effects.
- Sequence.
- Decision making.
- Rehearsal.
- Developing an acting voice.
- Storytelling.
- Creating a character.

Discussion of Year's Performances.

Students will also need to be able to discuss any of their performances and provide any additional information that will assist their answers. For example Melodrama and Masks.

All the best with the examination!
